Not just for camping anymore!
Ways to get cylinder into hands!

**REUSABLE 1 LB. PROPANE PLEDGE**

Create less waste and save money with reusable 1 lb. propane cylinders. Reusables pay for themselves after about 4 refills.

**In receipt of my reusable 1lb. propane cylinder, I pledge to:**

**Learn:** Understand why it is important to switch from using single-use 1 lb. propane cylinders to reusable 1 lb. cylinders for all applicable propane needs.

**Act:** Choose to use my reusable 1 lb. propane cylinder(s) for all applicable propane needs. Share information on reusables within my local community and through social media.

Yolo County residents can dispose of 1 lb. propane cylinders at your local household hazardous waste facility:
Yolo County Central Landfill, 44090 County Road 28H, Woodland. (530) 666-8856

---

**COMPROMISO DE PROPAÑO REUTILIZABLE DE 1lb**

Crea menos residuos y ahorra dinero con cilindros reutilizables de 1 lb. de propano. ¡Transición a cilindros reutilizables de 1 lb. de propano!

Al recibir mi cilindro reutilizable de 1 lb. de propano, me comprometo a:

**Aprender:** Comprender por qué es importante cambiar de cilindros de propano de 1 lb. de un

**Actuar:** Elegir usar mi(s) cilindro(s) reutilizable(s) de 1 lb. de propano para todas las necesidades que apliquen. Compartir información sobre productos reutilizables dentro de mi comunidad local y en redes sociales.

Refuel Your Fun

18961 Gothard St. Huntington Beach, CA

Free propane until 1pm today!
Clean-Up Case Study: Yosemite NP
Clean-Up Case Study: Yosemite NP, cont.
Clean-Up Case Study: Yosemite NP, cont.

Key statistics:

• Quantity of cylinders collected and properly disposed: 10,924

• Dollars spent on disposal: $22,400

• Labor cost in addition to disposal: $9,000, not including volunteers
Lessons learned:

- Waste is increasing
- Costs are rising (labor, hauling, disposal)
- Public interest in reusables is rising
- Public education is lacking
- Fast action required
Public Education

Educating the public is the name of the game!
